<u>Small Group Instruction</u>	<u>Effective Feedback</u>	<u>Fostering Inquiry</u>	<u>Engaging in Self and Peer Assessment</u>	<u>Increasing Discourse</u>	<u>Interactive Read-Alouds</u>

Join us weekly for 60 minutes of **learning, sharing, and connecting** as we focus on implementing high-leverage instructional practices in remote settings. We know the best way to learn is from teachers and we're creating a space for Wayne County educators to brainstorm best practices, share ideas, and find solutions.

We'll take a practical look at implementing **high-leverage instructional practice in remote settings**. You can expect a quick community builder, a short professional learning, followed by opportunities to discuss and share ideas with educators from across Wayne County. Whether you're a remote teaching pro, new to online instruction, or just plain curious, these sessions are for you!

Together we will put high-leverage instructional practices into action!
